

Tables with/out **width=100%** test

Asciidoctor PDF

Table 1. no config

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 2. width=100%

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 3. %autowidth

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 4. cols="8,1"

verylongword verylongword	short short short
short short short	verylong word verylong word

Table 5. cols="8,1" width=100%

verylongword verylongword	short short short
short short short	verylong word verylong word

Table 6. width=100% cols="8,1"

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 7. cols="50,50"

verylongword verylongword	short short short
---------------------------	-------------------

short short short	verylongword verylongword
-------------------	---------------------------

Table 8. cols="50,50" width=100%

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 9. width=100% cols="50,50"

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 10. cols="30,70"

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 11. cols="30,70" width=100%

verylongword verylongword	short short short
short short short	verylongword verylongword

Table 12. width=100% cols="30,70"

verylongword verylongword	short short short
short short short	verylongword verylongword
